

DLA Piper has advised Kaito Insight and its shareholders on the sale of the company to twoday

Markus Oksanen
Partner, Head of IPT

DLA Piper has advised Kaito Insight and its shareholders on the sale of the company to twoday.

Kaito Insight is a Finnish service provider specializing in data-driven transformations. As the only Snowflake Elite Partner in Northern Europe, Kaito Insight modernizes data platforms, improves business analytics and implements artificial intelligence solutions for blue-chip companies.

The acquisition of Kaito Insight strengthens twoday's position as the Nordic leader in AI and data engineering.
